## Activity #1 Write About It:

Why could pornography create unrealistic expectations of sexuality?

### Activity #2 Group Lesson:

In groups of 3-5 students discuss - Pornography can cause unrealistic and unhealthy views about intimate relationships. What are ways to learn healthy views about intimate relationships? Brainstorm in your group. What are keys to healthy romantic relationships?

## Activity #3 Extended Learning:

In groups of 3-5 students, discuss - What is the hookup culture? What TV, media, or music promotes the hookup culture? Provide specific examples. How can the hookup culture negatively affect teen development and self-image?
