a. 2 b. 20 c. 75 d. 100 e. 500

#### Activity #1 Group Chat:

Use the internet to find a story of a teen that had a fentanyl overdose. Share the scenario with a small group or with the class. Brainstorm lessons that can be learned from the teen's experience.

# Activity #2 Write About It:

Journal: Why is fentanyl so deadly? What can you do to avoid being a victim?

#### Activity #3 Skits:

In groups, pick a scenario from the jar and create a skit depicting the scenario. Share your skit with the class.
