

Grit - Pre-K to 2nd Drawing Worksheet

Grit means not giving up, even when things get hard. It's about trying your best, working through challenges, and keeping going until you finish. Grit is being strong and continuing to work, even if things don't go your way right away.

Draw and Color- A time you had Grit.

"Kids with grit don't give up easily;
they keep trying even when they
encounter obstacles or setbacks."
